Our goal is to create a welcoming environment where every student regardless of skill or ability can learn, gain confidence, improve and have fun while nurturing a love and respect for the art of dance. We pride ourselves on giving high quality classes to all pupils and students no matter how far they wish take dance.

Dance classes

Pupils will be collected from and returned to the changing area before and after class.

As a carer/parent please remain in the changing area, if leaving during your dancers class please ensure we have up to date contact details for you. Pupils cannot be left more than 5 minutes before the start of their class, unless prior arrangement has been made. Pupils must be collected on time, unless prior arrangements have been made, if you are going to be late please contact us. SDA staff are not responsible for pupils waiting in changing areas before and after class, unless prior arrangements have been made.

We have regular watching weeks and showcases so parents can see work.

Pupils will be taken to the toilet cubical but not helped with undressing/toileting by staff-please check your child has been to the toilet before class.

Siblings/pupils waiting in the changing area are the responsibility of those who bring them to SDA. Please respect SDA property.

When dancing we will sometimes be required to physically place the dancer in the correct position. This will simply involve the teacher moving the body into the correct place, helping them remember how the body should feel when dancing. If your child has any discomfort or has a known injury please inform us immediately so we can address the issue. If you have any questions please contact/see Mrs Sarah.

Developing a dancer

As ballet, tap, contemporary, jazz, acro and musical theatre pupils' progress through the school they are encouraged to take part in at least 2 or 3 classes a week. Older students are encouraged to audition for extra dance programmes. This helps in the development of technique, flexibility and the ability to pick up routines, all key skills a dancer should have. The skills we teach in class build confidence, discipline, presentation, team work and much more, all transferable skills that can be applied to all walks of life.

Uniform

Correct uniform must be worn for each class. We have a uniform so that all pupils are dressed alike and appropriately for class and are well presented. Hair must be tied back neatly. No outdoor shoes are allowed in the dance studio.

To purchase class uniform visit our shop during opening hours Thursday-Saturday. We stock all uniform ourselves and may sometimes ask you to wait up 2 weeks for stock to come in.

Absences
